## Building Use Guidelines

**The Suquamish United Church of Christ is an Open and Affirming church.** We welcome everyone into full participation in church life regardless of race, gender, gender identity, ability or disability, economic class or sexual orientation. We welcome all groups willing to extend a similar welcome to participants in their functions.

We ask you to observe the following guidelines when using church facilities.

1. Please submit the Facilities Use Request Form to the Office Administrator ahead of time for specific use of the church facilities.
2. A damage deposit and a cleaning deposit are required for all activities. Refunds will be assessed upon inspection of the facility.
3. Please confine your activities to the space you have been assigned.
4. Please wash and put away all dishes used.
5. The dishwasher may not be used except by people trained in its use.
6. If you use any portable heaters, make sure they are unplugged after use.
7. Please return all equipment, chairs, tables, kitchen items, games, etc., to their original and/or correct location.
8. Please sweep and/or vacuum floors and clean all counter tops.
9. Be sure that the stove top and oven are turned off and that coffee pots are turned off.
10. Take out garbage and replace plastic bags in trash cans. (Bags may be found in the drawers to the left side of the sink or under the counter of the center island on the side facing Stuart Hall.)
11. Please confirm that all doors and windows are locked before the last person leaves. (It is suggested that your group appoint one individual to be responsible for this.) Every door should be checked to make sure it is secured. Panic bars use a hex key to lock.
12. Turn out the lights before leaving. Leave one bank of outside lights on breezeway on and lights in front of office on.
13. **No alcohol is to be consumed on the premises. No smoking in the building. Illegal drugs, firearms and/or gambling is prohibited in any area.**
14. The buildings have an automatic alarm system. If you have any late evening or early morning use, please discuss this with the Office Administrator to make sure it won't trigger during use.
15. Contact the church office if you have any questions or special requests (360-598-4434).

We are proud to have this church serve as a community resource. It is your church as well as the congregation's. Please help us keep it maintained and running smoothly.

Thank you,  
Suquamish United Church of Christ
